

The background of the cover is a close-up photograph of a road surface. On the left, there is a dark, textured area of gravel or asphalt. A white line runs diagonally across the middle of the frame. To the right of the white line, there is a large area of bright blue paint that is cracked and peeling, suggesting it is old and weathered. The text is overlaid on the blue-painted area.

L'ESPRIT PIONNIER DEPUIS 1827

Pionnière depuis sa création, la Maison Mumm n'a cessé de bousculer les codes du champagne.
Dernière illustration, le design innovant de sa cuvée emblématique Mumm Grand Cordon.

L'ABUS D'ALCOOL EST DANGEREUX POUR LA SANTÉ, À CONSOMMER AVEC MODÉRATION.

Winning is not about speed. It is about focus, timing, precision, discipline, flexibility, improvisation, and most importantly, the team's synergy created by their shared passion for the car and the race. Just like navigating the sea, racing is unpredictable, perilous, unforgiving and at the same time exciting, creative and inspiring. For over 60 years this has been our company's approach and philosophy in the operational excellence of our ships. As sponsors of the 2018 Coupe des Alpes, Synergy looks forward to a thrilling rally of not only cars and drivers but of their competing strategies and philosophies. Be a part of our three-day adventure as we climb 17 mountains spanning 753 kilometers of the French Alps through our Instagram account @SYNERGY_CDA.
